

Statement of Faith

Becky Harling

God

I believe there is one God who exists eternally in three persons: Father, Son and Holy Spirit.

The Word Of God

I believe the Bible, both Old and New Testament, is God's written Word, and as such reveals for all people His character and purposes. It is the final authority in all matters relating to belief and behavior. I believe the Bible to be inspired, fully reliable and without error.

The Human Race

I believe that humanity is created in God's image and is designed for relationship with Him. All people have sinned and this has resulted in guilt, death and alienation from God. People are powerless to save themselves from sin's penalty.

Jesus Christ

I believe that Jesus Christ fully man and fully God, entered history as Savior of the world. He was conceived of the Holy Spirit, born of a virgin, and lived a sinless perfect life. He died on the cross as the atoning sacrifice for the sins of those who trust Him for their salvation. He arose in bodily form, ascended into heaven and now sits at the right hand of God the Father where He intercedes for His people. I believe in His personal return to earth when He will accomplish the final triumph over the evil one.

Salvation

I believe that Christ's sacrificial death, in which He bore the punishment due to sinners' is the only and all sufficient basis of God's provision of salvation for all people of every culture and age. It is only through God's grace that the repentant sinner, through trusting in Christ's as Savior, is made right with God and receives eternal life. (John 14:6)

The Holy Spirit

I believe that the Holy Spirit indwells believers, empowers them to love, serve, witness, and obey God. He equips believers with gifts to build up his body and transforms them into the image of Jesus Christ.
